OFFICE ACTION

STRICT DEADLINE TO RESPOND TO THIS LETTER

TO AVOID ABANDONMENT OF THE APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE THE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

ISSUE/MAILING DATE: 10/20/2010

The applicant is encouraged to telephone the assigned trademark examining attorney to resolve the issues raised in this Office action.

The referenced application has been reviewed by the assigned trademark examining attorney. The applicant must respond timely and completely to the issue below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of the Issue to Which the Applicant Must Respond

- Requirement that the applicant disclaim descriptive wording apart from the mark as shown

Search Results

The trademark examining attorney has searched the Office's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052(d).

However, the applicant must respond to the following requirement.

Disclaimer

The applicant must disclaim the descriptive wording "mini crisps" apart from the mark as shown because such wording merely describes certain features of the applicant's goods, specifically, that such goods are crisp and that such goods are small in relation to other goods of the same type (please note the attached evidence from the Merriam-Webster online dictionary website, which indicates that: (i) the term "mini" can be defined as an adjective meaning small in relation to other goods of the same type; (ii) the term "crisp" can be defined as something crisp or brittle; and (iii) a cracker, such as the goods identified by the applicant, is a crispy bread product). *See* 15 U.S.C. §1056(a); TMEP §§1213, 1213.03(a).

The computerized printing format for the Office's *Trademark Official Gazette* requires a standardized format for a disclaimer. TMEP §1213.08(a)(i). The following is the standard format used by the Office:

No claim is made to the exclusive right to use "MINI CRISPS" apart from the mark as shown.

TMEP §1213.08(a)(i); *see In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

A disclaimer does not physically remove the disclaimed matter from the mark, but rather is a written statement that the applicant does not claim exclusive rights to the disclaimed wording separate and apart from the mark as shown in the drawing. TMEP §§1213, 1213.10.

Response Guidelines for TEAS Plus Applicants

TEAS PLUS APPLICANTS MUST SUBMIT DOCUMENTS ELECTRONICALLY OR SUBMIT FEE: Applicants who filed their application online using the reduced-fee TEAS Plus application must continue to submit certain documents online using TEAS, including responses to Office actions. *See* 37 C.F.R. §2.23(a)(1). For a complete list of these documents, *see* TMEP §819.02(b). In addition, such applicants must accept correspondence from the Office via e-mail throughout the examination process and must maintain a valid e-mail address. 37 C.F.R. §2.23(a)(2); TMEP §§819, 819.02(a). TEAS Plus applicants who do not meet these requirements must submit an additional fee of \$50 per international class of goods. 37 C.F.R. §2.6(a)(1)(iv); TMEP §819.04. In appropriate situations and where all issues can be resolved by amendment, responding by telephone to authorize an examiner's amendment will not incur this additional fee.

/S. Michael Gaafar/
Trademark Examining Attorney
Law Office 116
(571) 272-8259
michael.gaafar@uspto.gov

TO RESPOND TO THIS LETTER: Use the Trademark Electronic Application System (TEAS) response form at <http://teasroa.uspto.gov/roa/>. Please wait 48-72 hours from the issue/mailling date before using TEAS, to allow for necessary system updates of the application. For *technical* assistance with online forms, e-mail TEAS@uspto.gov.

WHO MUST SIGN THE RESPONSE: It must be personally signed by an individual applicant or someone with legal authority to bind an applicant (i.e., a corporate officer, a general partner, all joint applicants). If an applicant is represented by an attorney, the attorney must sign the response.

PERIODICALLY CHECK THE STATUS OF THE APPLICATION: To ensure that the applicant does not miss crucial deadlines or official notices, check the status of the application every three to four months using Trademark Applications and Registrations Retrieval (TARR) at <http://tarr.uspto.gov/>. Please keep a copy of the complete TARR screen. If TARR shows no change for more than six months, call 1-800-786-9199. For more information on checking status, see <http://www.uspto.gov/trademarks/process/status/>.

TO UPDATE CORRESPONDENCE/E-MAIL ADDRESS: Use the TEAS form at <http://www.uspto.gov/teas/eTEASpageE.htm>.

OFFICE ACTION

TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE ISSUE/MAILING DATE.

ISSUE/MAILING DATE: 5/31/2010

TEAS PLUS APPLICANTS MUST SUBMIT DOCUMENTS ELECTRONICALLY OR SUBMIT FEE:

Applicants who filed their application online using the reduced-fee TEAS Plus application must continue to submit certain documents online using TEAS, including responses to Office actions. *See* 37 C.F.R. §2.23(a)(1). For a complete list of these documents, see TMEP §819.02(b). In addition, such applicants must accept correspondence from the Office via e-mail throughout the examination process and must maintain a valid e-mail address. 37 C.F.R. §2.23(a)(2); TMEP §§819, 819.02(a). TEAS Plus applicants who do not meet these requirements must submit an additional fee of \$50 per international class of goods and/or services. 37 C.F.R. §2.6(a)(1)(iv); TMEP §819.04. In appropriate situations and where all issues can be resolved by amendment, responding by telephone to authorize an examiner's amendment will not incur this additional fee.

The referenced application has been reviewed by the assigned trademark examining attorney.

Search Results

The trademark examining attorney has searched the Office's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052(d).

Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SECTION 2(e)(1) REFUSAL – MERELY DESCRIPTIVE

Registration is refused because the applied-for mark merely describes a feature or characteristic of applicant's goods and/or services. Trademark Act Section 2(e)(1), 15 U.S.C. §1052(e)(1); *see* TMEP §§1209.01(b), 1209.03 *et seq.*

A mark is merely descriptive if it describes an ingredient, quality, characteristic, function, feature, purpose or use of the specified goods and/or services. TMEP §1209.01(b); *see In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005); *In re Gyulay*, 820 F.2d 1216, 1217-18, 3 USPQ2d 1009, 1010 (Fed. Cir. 1987). Moreover, a mark that identifies a group of users to whom an applicant directs its goods and/or services is also merely descriptive. TMEP §1209.03(i); *see In re Planalytics, Inc.*, 70 USPQ2d 1453, 1454 (TTAB 2004).

The determination of whether a mark is merely descriptive is considered in relation to the identified goods and/or services, not in the abstract. *In re Abcor Dev. Corp.*, 588 F.2d 811, 814, 200 USPQ 215, 218 (C.C.P.A. 1978); TMEP §1209.01(b); *see, e.g., In re Polo Int'l Inc.*, 51 USPQ2d 1061 (TTAB 1999) (finding DOC in DOC-CONTROL would be understood to refer to the "documents" managed by applicant's software, not "doctor" as shown in dictionary definition); *In re Digital Research Inc.*, 4 USPQ2d 1242 (TTAB 1987) (finding CONCURRENT PC-DOS merely descriptive of "computer programs recorded on disk" where relevant trade used the denomination "concurrent" as a descriptor of a particular type of operating system). "Whether consumers could guess what the product is from consideration of the mark alone is not the test." *In re Am. Greetings Corp.*, 226 USPQ 365, 366 (TTAB 1985).

"A mark may be merely descriptive even if it does not describe the 'full scope and extent' of the applicant's goods or services." *In re Oppedahl & Larson LLP*, 373 F.3d 1171, 1173, 71 USPQ2d 1370, 1371 (Fed. Cir. 2004) (citing *In re Dial-A-Mattress Operating Corp.*, 240 F.3d 1341, 1346, 57 USPQ2d 1807, 1812 (Fed. Cir. 2001)); TMEP §1209.01(b). It is enough if the term describes only one significant function, attribute or property. *In re Oppedahl*, 373 F.3d at 1173, 71 USPQ2d at 1371; TMEP §1209.01(b).

A mark that merely combines descriptive words is not registrable if the individual components retain their descriptive meaning in relation to the goods and/or services and the combination results in a composite mark that is itself descriptive. TMEP §1209.03(d); *see, e.g., In re King Koil Licensing Co. Inc.*, 79 USPQ2d 1048 (TTAB 2006) (holding THE BREATHABLE MATTRESS merely descriptive of "beds, mattresses, box springs and pillows"); *In re Associated Theatre Clubs Co.*, 9 USPQ2d 1660, 1662 (TTAB 1988) (holding GROUP SALES BOX OFFICE merely descriptive of theater ticket sales services). Such a mark is registrable only if the composite creates a unitary mark with a unique, incongruous, or otherwise nondescriptive meaning in relation to the goods and/or services. *See, e.g., In re Colonial Stores, Inc.*, 394 F.2d 549, 551, 157 USPQ 382, 384 (C.C.P.A. 1968).

In this case, both the individual components and the composite result are descriptive of applicant's goods and/or services and do not create a unique, incongruous or nondescriptive meaning in relation to the goods

and/or services. Specifically, in this case, the combination of wording in the mark conveys a feature, characteristic or ingredients of the goods.

The word GOURMET is defined as “of special food: relating to high-quality food that is sophisticated, expensive, rare, or meticulously prepared.”

<http://encarta.msn.com/encnet/features/dictionary/DictionaryResults.aspx?lextype=3&search=gourmet>.

See attached. The word PIZZA is defined as “a flat round piece of bread dough baked with a variety of toppings, often including tomato sauce and cheese.”

<http://encarta.msn.com/encnet/features/dictionary/DictionaryResults.aspx?refid=1861726574>. See

attached. The word CRUST is defined as “outer part of bread.” <http://encarta.msn.com/encnet/features/dictionary/DictionaryResults.aspx?lextype=3&search=crust>. See attached.

The word CRISP is defined as “something crisp or brittle <burned to a crisp> <rye crisps>.”

<http://www.merriam-webster.com/dictionary/crisp>. See attached.

Thus, when viewed in the context of the goods, GOURMET is a laudatory term attributing quality to applicant’s goods. Laudatory words or terms that attribute quality or excellence to goods and/or services are considered merely descriptive. TMEP §1209.03(k). Thus, laudatory terms, phrases and slogans are nondistinctive and unregistrable on the Principal Register without proof of acquired distinctiveness. See *In re Nett Designs, Inc.*, 236 F.3d 1339, 57 USPQ2d 1564 (Fed. Cir. 2001) (holding THE ULTIMATE BIKE RACK a laudatory, descriptive phrase that touts the superiority of applicant’s bicycle racks); *In re Boston Beer Co.*, 198 F.3d 1370, 53 USPQ2d 1056 (Fed. Cir. 1999) (holding THE BEST BEER IN AMERICA a laudatory, descriptive phrase for applicant’s beer and ale); *In re The Place, Inc.*, 76 USPQ2d 1467 (TTAB 2006) (holding THE GREATEST BAR a laudatory, descriptive term for applicant’s restaurant and bar since term “greatest” immediately informs prospective purchaser that applicant’s establishment is superior in character or quality when compared to other restaurants and bars); *In re Dos Padres, Inc.*, 49 USPQ2d 1860 (TTAB 1998) (holding QUESO QUESADILLA SUPREME a laudatory, descriptive term for applicant’s cheese); *In re Ervin*, 1 USPQ2d 1665 (TTAB 1986) (holding THE ORIGINAL a laudatory, descriptive term for applicant’s specific type of gaming equipment). The word GOURMET is often used in the context of food items, as demonstrated by the attached representative third party registrations.

PIZZA CRUST is either an ingredient or flavor of the applicant’s goods. A term that describes an ingredient of the goods is merely descriptive. TMEP §1209.01(b); see *In re Keebler Co.*, 479 F.2d 1405, 178 USPQ 155 (C.C.P.A. 1973) (holding RICH ‘N CHIPS merely descriptive of chocolate chip cookies); *In re Entenmann’s, Inc.*, 15 USPQ2d 1750 (TTAB 1990) (holding OATNUT merely descriptive of bread containing oats and hazelnuts), *aff’d per curiam*, 928 F.2d 411 (Fed. Cir. 1991); *Flowers Indus., Inc. v. Interstate Brands Corp.*, 5 USPQ 2d 1580 (TTAB 1987) (holding HONEY WHEAT merely descriptive of bread containing honey and wheat). The flavor of food products has been held merely descriptive of such food products. *In re Andes Candies Inc.*, 178 USPQ 156 (C.C.P.A. 1973) (holding CRÈME DE MENTHE merely descriptive of laminated chocolate mint candy squares); *In re Int’l Salt Co.*, 171 USPQ 832 (TTAB 1971) (holding CHUNKY CHEESE merely descriptive of cheese-flavored salad dressing); see *A. J. Canfield Co. v. Honickman*, 808 F.2d 291, 1 USPQ2d 1364 (3d Cir. 1986) (holding CHOCOLATE FUDGE generic for chocolate fudge flavored diet soda); TMEP §1209.01(b).

Attached are representative third party registrations with disclaimers of the wording GOURMET or CRISPS. Third-party registrations featuring the same or similar goods and/or services as applicant’s goods and/or services are probative evidence on the issue of descriptiveness where the relevant word or term is disclaimed, registered under Trademark Act Section 2(f) based on a showing of acquired distinctiveness, or registered on the Supplemental Register. See *Sweats Fashions, Inc. v. Pannill Knitting*

Co., 833 F.2d 1560, 1564-65, 4 USPQ2d 1793, 1797 (Fed. Cir. 1987); *In re Box Solutions Corp.*, 79 USPQ2d 1953, 1955 (TTAB 2006); *In re Finisar Corp.*, 78 USPQ2d 1618, 1621 (TTAB 2006).

The word CRISP generally identifies something that is crisp, based on the dictionary definition. Thus, if applicant's snacks are crisp, they may be generally referred to as a type of crisp. Accordingly, such wording is highly descriptive or generic in the context of the goods.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

Applicant must respond to the requirement(s) set forth below.

Requirement for Information

To permit proper examination of the application, applicant must submit additional product information about the goods. *See* 37 C.F.R. §2.61(b); *In re DTI P'ship LLP*, 67 USPQ2d 1699, 1701-02 (TTAB 2003); TMEP §814. The requested product information should include fact sheets and/or advertisements. If these materials are unavailable, applicant should submit similar documentation for goods of the same type, explaining how its own product will differ. If the goods feature new technology and no competing goods are available, applicant must provide a detailed description of the goods.

The submitted factual information must make clear the salient features of the goods and their prospective customers and channels of trade. Conclusory statements regarding the goods will not satisfy this requirement.

Failure to respond to a request for information is an additional ground for refusing registration. *See In re Cheezwhse.com, Inc.*, 85 USPQ2d 1917, 1919 (TTAB 2008); *In re DTI*, 67 USPQ2d at 1701-02. Merely stating that information about the goods is available on applicant's website is an inappropriate response to a request for additional information and is insufficient to make the relevant information of record. *See In re Planalytics, Inc.*, 70 USPQ2d 1453, 1457-58 (TTAB 2004).

If applicant has questions about the application or this Office action, please telephone the assigned trademark examining attorney at the telephone number below.

/Mary Boagni/
Examining Attorney
Law Office 114
571-272-9130
Law Office 114 fax: 571-273-9114

RESPOND TO THIS ACTION: Applicant should file a response to this Office action online using the form at <http://www.uspto.gov/teas/eTEASpageD.htm>, waiting 48-72 hours if applicant received notification of the Office action via e-mail. For *technical* assistance with the form, please e-mail TEAS@uspto.gov. For questions about the Office action itself, please contact the assigned examining attorney. **Do not respond to this Office action by e-mail; the USPTO does not accept e-mailed**

responses.

If responding by paper mail, please include the following information: the application serial number, the mark, the filing date and the name, title/position, telephone number and e-mail address of the person signing the response. Please use the following address: Commissioner for Trademarks, P.O. Box 1451, Alexandria, VA 22313-1451.

STATUS CHECK: Check the status of the application at least once every six months from the initial filing date using the USPTO Trademark Applications and Registrations Retrieval (TARR) online system at <http://tarr.uspto.gov>. When conducting an online status check, print and maintain a copy of the complete TARR screen. If the status of your application has not changed for more than six months, please contact the assigned examining attorney.

APPLICANT: Hanky T. Benaron

CORRESPONDENT ADDRESS:
HANKY T. BENARON
10433 WILSHIRE BLVD
LOS ANGELES, CA 90024

RETURN ADDRESS:
Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3514
ecom110@uspto.gov

MARK: "BELLA CRISP"

CORRESPONDENT'S REFERENCE/DOCKET NO: N/A

CORRESPONDENT EMAIL ADDRESS:

Please provide in all correspondence:

1. Filing date, serial number, mark and applicant's name.
2. Date of this Office Action.
3. Examining Attorney's name and Law Office number.
4. Your telephone number and e-mail address.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 76/502397

The assigned examining attorney has reviewed the referenced application and determined the following.

Search Results

The examining attorney has searched the Office records and has found no similar registered or pending mark which would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02.

Disclaimer

The applicant must disclaim the descriptive wording "CRISP" apart from the mark as shown. Trademark Act Section 6, 15 U.S.C. §1056; TMEP §§1213 and 1213.03(a). The wording is merely descriptive because it describes a feature of the goods. For applicant's convenience, the examining attorney has attached the dictionary definition of "crisp."

A disclaimer does *not* remove the disclaimed matter from the mark. It is simply a statement that the applicant does not claim exclusive rights in the disclaimed wording or design apart from the mark as shown in the drawing.

The computerized printing format for the *Trademark Official Gazette* requires a standard form for a disclaimer. TMEP §1213.08(a)(i). A properly worded disclaimer should read as follows:

No claim is made to the exclusive right to use **CRISP** apart from the mark as shown.

See *In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

Translation

The applicant must submit an English translation of all foreign wording in the mark. 37 C.F.R. §2.61(b); TMEP §809. The statement may be in the following form, if accurate. *The English translation of "BELLA" is _____ [specify, e.g., beautiful].* See for examples, U.S. Registration Nos. 2750347, 2637317, and 2522843. See attachments.

Basis for Filing

The applicant asserts use of the mark in commerce for goods and applicant asserts that it has a bona fide intent to use the mark in commerce for the same goods. An applicant may not assert both use of the mark in commerce, under Trademark Act Section 1(a), 15 U.S.C. §1051(a), and intent to use the mark in commerce, under Trademark Act Section 1(b), 15 U.S.C. §1051(b), for the same goods or services. 37 C.F.R. §2.34(b)(1); TMEP §806.02(b). The applicant must delete one basis or divide the goods/services between the two bases, as appropriate.

Requirements for an Application Based on Section 1(a): Use In Commerce

To base the application on the applicant's use of the mark in commerce the applicant must submit the following:

- (1) A statement that the mark is in use in commerce, as defined by 15 U.S.C. §1127, and was in use in such commerce on or in connection with the goods or services listed in the application on the application filing date;
- (2) The date of the applicant's first use of the mark anywhere on or in connection with the goods or services;
- (3) The date of the applicant's first use of the mark in commerce as a trademark or service mark; and
- (4) One specimen for each class, showing how the applicant actually uses the mark in commerce. If the specimen is not filed with the initial application, applicant must submit a statement that the specimen was in use in commerce at least as early as the application filing date.

These items must be verified by the applicant, i.e., supported either by an affidavit or by a declaration under 37 C.F.R. §§2.20 and 2.33. Trademark Act Section 1(a), 15 U.S.C. §1051(a); 37 C.F.R.

§§2.34(a)(1) and 2.59(a); TMEP §806.01(a).

Note: The applicant has not submitted specimens.

Requirements for an Application Based on Section 1(b): Intent-to-Use

To base the application on a bona fide intention to use the mark in commerce, the applicant must submit the following statement:

The applicant has had a bona fide intention to use the mark in commerce on or in connection with the goods or services listed in the application since the filing date of the application.

This statement must be verified, i.e., supported either by an affidavit or by a declaration under 37 C.F.R. §§2.20 and 2.33. Trademark Act Section 1(b), 15 U.S.C. §1051(b); 37 C.F.R. §2.34(a)(2)(i); TMEP §806.01(b).

Specimen

Specimen of Use Required if 1(a) Application

An application based on use of the mark in commerce under Trademark Act Section 1(a), 15 U.S.C. §1051(a), must include a specimen showing use of the mark in commerce on or in connection with the goods/services. TMEP §904. The application does not contain a specimen. The applicant must submit a specimen, and must submit the following statement:

The specimen was in use in commerce at least as early as the filing date of the application.

This statement must be verified with an affidavit or a declaration under 37 C.F.R. §2.20. 37 C.F.R. §2.59(a); TMEP §904.09.

Overcoming a Refusal by Substituting a Basis

The applicant may be able to overcome the refusal to register this mark by amending the application to assert a different basis for filing the application and submitting the requirements for the new basis. TMEP §§806.03 et seq.

In this case, the applicant may wish to amend the application to assert a **1(b)** basis to overcome the specimen requirement.

(1) The applicant must list the goods/services by international class with the classes listed in ascending numerical order. TMEP §1403.01.

(2) The applicant must submit a filing fee for each international class of goods/services not covered by the fee already paid. 37 C.F.R. §§2.6(a)(1) and 2.86(a); TMEP §§810.01 and 1403.01. Effective January 1, 2003, the fee for filing a trademark application is \$335 for each class. This applies to classes added to pending applications as well as to new applications filed on or after that date. **Note: The applicant has paid for one (1) class to date.**

Quotation Marks in Drawing Page

If the applicant clarifies the basis to Section 1(a) and the specimen does not contain quotations, then the applicant must delete the quotation marks from the drawing because they do not appear on the specimen. TMEP §§807.04 and 807.15.

Identification of Goods

The identification of goods is unacceptable as indefinite. The applicant may adopt the following identification, if accurate: *Protein potato crisps, Int. Cl. 29; Protein crackers, in Class 30*. TMEP §1402.01.

For assistance regarding an acceptable listing of goods and/or services, please see the on?line searchable *Manual of Acceptable Identifications of Goods and Services*, at [http://www.uspto.gov/web/offices/tac/doc/gsmannual/](http://www.uspto.gov/web/offices/tac/doc/gsmmanual/).

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, the applicant may not amend to include any goods that are not within the scope of goods set forth in the present identification.

Requirements for a Combined Application in a Use-Based Application – 1(a)

If the applicant prosecutes this application as a combined, or multiple?class, application based on use in commerce under Trademark Act Section 1(a), 15 U.S.C. §1051(a), the applicant must comply with each of the following:

(1) The applicant must specifically identify the goods and/or services in each class and list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP §1403.01.

(2) The applicant must submit a filing fee for each international class of goods/services not covered by the fee already paid. 37 C.F.R. §§2.6(a)(1) and 2.86(b); TMEP §§810.01 and 1403.01. Effective January 1, 2003, the fee for filing a trademark application is \$335 for each class. This applies to classes added to pending applications as well as to new applications filed on or after that date. **Note: The applicant has paid for one (1) class to date.**

(3) The applicant must submit:

(a) Dates of first use and first use in commerce and one specimen for each class that includes goods or services based on use in commerce under Trademark Act Section 1(a). The dates of use must be at least as early as the filing date of this application, 37 C.F.R. §§2.34(a)(1) and 2.86(a), and the specimen(s) must have been in use in commerce at least as early as the filing date of the application, and/or

(b) A statement of a bona fide intention to use the mark in commerce on or in connection with all the goods or services specified in each class that includes goods or services based on a bona fide intention to use the mark in commerce under Trademark Act Section 1(b), where such statement was not included for the goods or services in the original application.

(4) The applicant must submit an affidavit or a declaration under 37 C.F.R. §2.20 signed by the applicant to verify (3) above. 37 C.F.R. §§2.59(a) and 2.71(c).

Requirements for Combined Applications in an Intent-to-Use Application – 1(b)

If the applicant prosecutes this application as a combined, or multiple?class, application, the applicant must comply with each of the following.

(1) The applicant must list the goods/services by international class with the classes listed in ascending numerical order. TMEP §1403.01.

(2) The applicant must submit a filing fee for each international class of goods/services not covered by the fee already paid. 37 C.F.R. §§2.6(a)(1) and 2.86(a); TMEP §§810.01 and 1403.01. Effective January 1, 2003, the fee for filing a trademark application is \$335 for each class. This applies to classes added to pending applications as well as to new applications filed on or after that date. **Note: The applicant has paid for one (1) class to date.**

Quotation Marks in Drawing Page

If the applicant clarifies the basis to Section 1(a) and the specimen does not contain quotations, then the applicant must delete the quotation marks from the drawing because they do not appear on the specimen. TMEP §§807.04 and 807.15.

The statement supporting use of the specimen must read as follows:

The substitute specimen was in use in commerce at least as early as the filing date of the application.

The applicant must sign this statement either in affidavit form or with a declaration under 37 C.F.R. §2.20; TMEP §904.09.

The following is a properly worded declaration under 37 C.F.R. §2.20. At the end of the response, the applicant should insert the declaration signed by a person authorized to sign under 37 C.F.R. §2.33(a).

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application or any resulting registration, declares that the facts set forth in this application are true; all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.

(Signature)

(Print or Type Name and Position)

(Date)

No set form is required for response to this Office action. The applicant must respond to each point raised. The applicant should simply set forth the required changes or statements and request that the Office enter them. The applicant must sign the response.

If the applicant has any questions or needs assistance in responding to this Office action, please telephone the assigned examining attorney.
